

June 1st, 2014

Hello,

On Aug 30th & 31st 2014 the **Ottawa valley Racers** will host the 4th Annual Thunder In The valley Summer Classic at **Leblanc Pond In the beautiful** Ottawa valley. This event routinely draws competitors from across Canada and the United States. The event typically draws over 50 racers and upwards of 150 boats showcasing some of the most competitive **nitro F/E & gas** racing in the country. The success of the O.V.R Summer classic would not be possible without the full support of our distributors, manufacturers, and friends such as yourself through donations and sponsorships.

We are asking for your help as a sponsor by donating products and/or gift certificates to be used as raffle prizes during the event. To show our appreciation for your generosity and to help promote your products/company we will give credit to you over the PA system throughout the race, during the raffle drawing, and during the trophy presentation. This is a great way to advertise your products and promote racing. We would also like to invite you to send your banners, signage, stickers, or other items to highlight your products and your company. We hope we can count on you for your generous support.

The Ottawa Valley Racers Thunder In The Valley Summer Classic is just around the corner. Please send in your reply to let us know of your sponsorship

Sincerely,
Luc White
